ZERONIX

Zeronix 2K23 is an entire gamut of activities where we provide a platform for every student irrespective of their area of expertise to showcase their talents in academics as well as cultural events. Economics is not just about money or the market it's all about how we make decisions in our daily life whether it may be career or family. Thus in a broader view, we all are actors in the economy and we all have an economist inside us. We through our humble endeavour intend to bring out your hidden talents.
