

GUEST OF HONOUR
RAMYA SUVI

(DANCER , FILM ACTOR AND
FOUNDER OF HEAL)

Ramya Suvi is a renowned dancer, creative choreographer, designer and an upcoming film actor. She is the founder of HEAL SPACE for Dance. She has done a music album 'Chirutha' directed by Shruthi Saranyam. Recently she has done a leading role in Lijo Jose Palliserry's movie Nanpakal Nerathu Mayakkam.

"THE TRACKLESS"

Women for centuries have been trapped and tracked down to oppression and exploitation and have survived in a world of oppressive patriarchal regime. It's this diabolical system that has restricted the physical and social freedom of women. Women empowerment or emancipation should begin with the breaking of these norms. It's time for women to step up, voice out and cross all boundaries marked and to shape herself into a new identity.
