

## INDUSTRIAL VISIT

As a part of Entrepreneurial development an Industrial Visit was organised by the Department of commerce and Management Studies on 01/10/2022. The aim of the visit was to understand the real operations in the Manufacturing Industries. The team of 20 students with 2 faculty members visited the following manufacturing units in and around Ernakulam town.

Angamali Industrial Development area covering three units Mothers Agro Food Pvt Ltd -Rice and Flour Manufacturers and Sharyudaya Silk Kendra and Prestige plastics.

In the Aluva Industrial Development Area the Resitech Transformer Manufacture unit was also visited. The IV was very informative. The students were also provided with certificates of IV.
