Workshop Report on "AI in Research and Publication"

On 03 September 2024, the Department of Psychology at Sri C Achutha Menon Government College, Kuttanellur, organized a workshop titled "**AI in Research and Publication**" in the **Seminar Hall, Science Block**. The event, held from 10:00 AM to 11:30 AM, aimed to introduce participants to various AI tools that can enhance research and publication efforts. The session began with a welcome address by **Dr. Sujisha TG**, Head of the Department of Psychology, who highlighted the increasing relevance of artificial intelligence in academic research.

The workshop featured **Mr. Daniel M Abraham**, a research scholar from Christ University, Bangalore, as the resource person. He provided an insightful overview of several AI tools, including **Chat GPT, Zotero, Consensus AI, and Elicit AI**. Mr. Abraham demonstrated how these tools could be leveraged to improve research processes such as literature reviews, data organization, and manuscript preparation. The session was interactive, with participants engaging in discussions and asking questions about the practical application of these technologies in their research.

The workshop concluded with a vote of thanks by **Ms. Aparna P**, a research scholar, who expressed gratitude to the resource person for his valuable insights and to all participants for their enthusiastic involvement. The event was well-received, with attendees appreciating the opportunity to learn about innovative AI tools that can significantly enhance research productivity and effectiveness.
